Christmas Club and Vacation Club Accounts

Start saving for your next vacation and for Christmas, 2023! We offer Vacation and Christmas club accounts to help you save. It only takes \$10 to open either account, and you can deposit into these accounts at any time. However, withdrawals are not permitted until the account matures. Vacation Club matures on the first business day of June and Christmas Club on the first business day of November. Give us a call if you have questions or are ready to open a Club account.

Check Orders

If you are needing to order checks, please call the Credit Union. The checking account numbers changed a few years ago, and we need to make sure you have the correct number encoded on your checks. If the account number on your checks isn't 14 digits long, we'll need to order you checks with the correct number. Please call if you have any questions.

Debit or Credit Card Fraud

If you get a phone call, text, or email alerting you about potential fraud on your card, please call the number indicated to verify the transactions. Falcon Fraud will not ask for your social security number, but they may verify your birthday. If you believe fraud has been committed, or your card has been lost or stolen, please call 855-961-1602.

Skip-A-Payment for the Holidays

It is time to start preparing for the holiday season! You can take a break from your next loan payment, if you apply to Skip-A-Payment.

You can skip one loan payment for a minimal fee of \$30. If you make biweekly payments, you can skip both payments that month. Your loan must be current, and you must be a member in good standing.

Please contact the Credit Union to complete the paperwork. The Skip-A-Payment and fee must be received at least five business days prior to the payment due date.

Not available for revolving credit, overdraft protection, or real estate loans.

Dormant Account Notice

A dormant account is a share account that has a balance of \$250 or less and has had no activity, such as deposits or withdrawals, for 12 months. If your account has become dormant, a \$3.50 fee will be charged each month until the account becomes active. This fee does not apply if you are using other credit union services, such as a checking account, credit card, loans, or certificates of deposit on that account.

How do you avoid the fee? Use your account. You can have direct deposits, transfer

deposits, deposit cash or checks, or withdraw funds when you need them. We have options to help you increase your savings, such as vacation and Christmas club accounts, certificates of deposit, and more. We are also a great source for your lending needs.
