April 2024

83rd Annual Meeting

Celebrate 83 years of the Nebraska State Employees Credit Union by joining us at the annual meeting. The meeting will be held at Nebraska State Employees Credit Union. The doors open at 5:30pm, and the meeting begins at 6pm. Please see nsecu.org for more information.

Once a Member; ALWAYS a Member

Once you have opened a share savings account with Nebraska State Employees Credit Union, you have established membership. Moving? No big deal, as we participate in CO-OP shared banking! Retire? Congratulations; you do not need to close your account. You can remain a member for as long as you like.

Checking Accounts with Free Visa Debit Card, Bill Pay, and Mobile Deposit

Have you thought about opening a checking account with NSECUCU? Now is the time to apply! We have a basic checking account, and the 500+ checking, which is an interest-bearing account. Both accounts offer a free debit card, free bill pay, and mobile deposit.

Inactive Account Notice

An inactive account is a share account that has a balance of \$250 or less and has had no activity, such as deposits or withdrawals, for 12 months. If your account has become inactive, a \$3.50 fee will be charged each month until the account becomes active. This fee does not apply if you are using other credit union services, such as a checking account, credit card, loans, or certificates of deposit on that account.

Holiday Closings

* Memorial Day - Monday, May 27

* Juneteenth – June 19

* Independence Day – Thursday, July 4
