It is the start of a new year, and it's time to review your accounts. Do we have your correct name, address, email, and phone number? Do you have joint owners? Have you added or do you need to add beneficiaries to your account? If you have any questions or need to update the ownership of your accounts, give us a call. We would be happy to help you!

Christmas Club and Vacation Club Accounts

It is time to start saving for your next vacation and for Christmas, 2025! We offer Vacation and Christmas club accounts to help you save. You can deposit into these accounts at any time, but withdrawals are not allowed until the account matures. Vacation Club pays on the second business day of June, and Christmas pays on the second business day of November. Give us a call if you have questions or are ready to open a Club account!

Debit or Credit Card Fraud

If you get a phone call, text, or email alerting you about potential fraud on your card, please call the number indicated to verify the transactions. Falcon Fraud will not ask for your social security number, but they may verify your birthday and recent transactions. If you believe fraud has been committed, or your card has been lost or stolen, please call 855-961-1602.

New Year Skip-A-Payment

Need a break from holiday bills? You can take a break from your next loan payment, if you apply to Skip-A-Payment!

You can skip one loan payment for a minimal fee of \$30. If you make bi-weekly payments, you can skip both payments that month. You can only apply to Skip-A-Payment every six months, your loan must be current, and you must be a member in good standing.

The process is easy; just contact the Credit Union to complete the paperwork. The paperwork and fee must be received at least five business days prior to the payment date.

Not available for revolving credit, overdraft protection, or real estate loans.

Dormant Account Notice

A dormant account is a share account that has a balance of \$250 or less and has had no activity, such as deposits or withdrawals, for 12 months. If your account has become dormant, a \$3.50 fee will be charged each month until the account becomes active. This fee does not apply if you are using other credit union services, such as a checking account, credit card, loans, or certificates of deposit on that account.

How do you avoid the fee? Use your account. You can have direct deposits, transfer deposits, deposit cash or checks, or withdraw funds when you need them. We have options to help you increase your savings, such as vacation and Christmas club accounts, certificates of deposit, and more. We are also a great source for your lending needs.
