85th Annual Meeting

Celebrate 85 years of the Nebraska State Employees Credit Union by joining us at our annual meeting on June 2nd. As a thank you to members who attend, we will draw the names of a few lucky winners for special prizes! The meeting will be held at Nebraska State Employees Credit Union, starting at 5:30pm.

Volunteer Wanted!

The Nebraska State Employees Credit Union is looking for a volunteer for the Supervisory Committee. The supervisory committee meets once a month to review new loans, accounts, bank reconciliations, and financial statements. No experience is required. Call 402-471-2561 for more information.

How to Avoid Common Scams:

There are quite a few scams circulating, so we want to remind our members to remain vigilant. Do not click on links in unexpected emails and verify the email address from unknown senders. Remember bank representatives will not ask you for your username, password, or personal information. You never have to pay any fees or fines via gift card or cryptocurrency, so if that is demanded, hang up the phone. When a caller tells you to lie to your banker about what the cash or wire is for, hang up! If you receive an unexpected check in the mail, verify the sender. You should never have to pre-pay taxes for a prize you have not received. Do not share your username or password with anyone. If you get a warning on your computer about being hacked, disconnect from the internet ASAP, and do not click the link or call the given phone number. If you have any questions about scams or fraud, give us a call. We would be happy to help you.
